### **Nonprofit Westchester Announces CClean Sponsorship**

Corporate Partner to Support Leading Nonprofit Member Organization During These Challenging Times

**White Plains, New York – July 29, 2020**

Nonprofit Westchester is proud to announce that CClean has become a Silver Sponsor, joining a growing group of area companies who have committed to supporting the county's sole membership organization dedicated to advancing the needs of the nonprofit sector and the people they serve.

"CClean brings such important expertise to the table during these challenging times," said Jan Fisher, Executive Director, Nonprofit Westchester. "They have generously provided advice to us during the pandemic, and we know they will continue to offer such valuable services that are essential to keeping our workplaces safe over the long-term. CClean and owner Joe Pizzimenti truly understand and support the issues facing nonprofit organizations. We are so appreciative of their support."

Careful cleaning and infection control routines play an important role in the health and peace of mind of Westchester's workforce, and all employees, customers and visitors who enter professional spaces. CClean has been providing customized janitorial and sanitizing services for 35 years, and their highly-trained team of professionals are trained and equipped with state-of-the-art disinfecting and quality control tools.

"It's our privilege to support the nonprofits who engage in such vital work in our community, especially throughout the crises our nation are facing," said Joe Pizzimenti, second generation owner of the family-owned CClean. "We are proud to sponsor NPW to support the critical advocacy work you do on behalf of these organizations, and to do what we can to keep nonprofit employees and the people they serve healthy, safe and informed."

**About CClean:** For 35 years, CClean has delivered comprehensive commercial janitorial services to a wide range of industries and clients in the tri-state area, including healthcare facilities, corporate workspaces, private schools, child care centers, universities, construction jobsites, film and tourism sets, and arts institutions. Services include regularly scheduled maintenance, special event cleaning/staffing, day porters for consistent infection control, deep cleaning of commercial kitchens, and more.
