My name is [NAME] and I work for/am a board member of/volunteer for/am a client of [NAME of ORGANIZATION].

I am calling in support of the HEROES Act which calls for protections and incentive pay for essential workers, expands the PPP to nonprofits of all sizes, sets aside PPP funding for nonprofits, offers financial support to the immigrant community and provides aid to states and localities.

COVID-19 has had a profound impact on the nonprofit sector. And, as we have seen, the impact of COVID-19 has been disproportionately severe on Black and Brown communities – our workforce and staff are highly represented in this population. Expansion of provisions for nonprofits in the HEROES Act can at least partially stem this impact.

We ask that you advocate for the needs of the sector in any forthcoming COVID-19 federal legislation so that we can continue to provide individuals with the critical services they need now, as this directly impacts how quickly communities will be able to recover from COVID-19.

Thank you so much for your time.
